TL;DR:

Jews:
A protected class, despite being the killers of Jesus and the “synagogue of Satan”.
Jews are allowed their own laws, to participate in government, are exempt from public service (military), “insulting” jews is forbidden by law, etc.

Pagans:
A pariah class, pagan temples, shrines and idols are to be totally destroyed,
practicing paganism is punishable by death, pagans are to be exiled or executed,
have their possession confiscated, etc.

Why would Christian emperors protect the killers of Jesus but genocide followers of European spirituality? Read the Old Testament.
